'OFF THE WICKET'

The St George-Sutherland Women's Cricket Club Newsletter

BACK TO THE SLAYERS DAY

Our very first Back to Slayers Day was a wonderful occasion, attended by more than 70 past and present players and supporters. Clear blue skies and the picturesque background of Hurstville Oval was the perfect setting as everyone went about catching up and reminiscing about the past 16 seasons of the Slayers. Our Club Patrons, Harry and Hamish Solomons were both

there, as were multiple club Life Members including Beth Heng, Stuart Maurice, Julie Muir and Helen Williams.

Throughout the day our combined 1st and 2nd Grade T/20 team went about our usual business of playing cricket, winning the first game and then pushing ladder leaders, Gordon, right down to the final over in an exciting match befitting the day.

So successful and enjoyable was the day that the club looks forward to hosting more Back to Slayers Day's in the future.

THAT'S A WRAP FOR WBBL04

Another WBBL and another Sydney Sixers appearance in the final, however for the first time in the WBBL's short history the trophy has been taken across the NSW boarder with the Brisbane Heat defeating the Sydney Sixers in a tightly fought final.

With the Sixers defeating the Melbourne Renegades and the Heat defeating the Sydney Thunder in the most remarkable semi-final games of cricket you will have seen

all summer, the stage was set for a three-peat for the team in magenta. A slow start with the bat however, and a gusty innings from former ICC T/20 Player of the Year, Beth Mooney, gave the competition a brand new champion.

The Slayers were well represented this season with Rene Farrell and Nicola Carey once again donning the lime green of the Sydney Thunder, while Tahlia Wilson joined the Sixers for her first

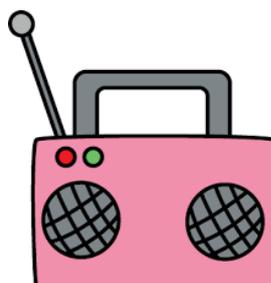

season in the WBBL. All three girls had wonderful seasons however the most memorable moment had to go to Nic who took a screamer of a caught and bowled that will be featured in every highlight reel of the tournament!

VIDEO DIDN'T REALLY KILL THE RADIO STAR

Did you know the Slayers feature on not one but two radio shows?! Our long standing tenure on the Sunday Sports Wrap (2NBC 90.1FM) is continuing for another year, with the Sunday morning chats with Stu and Ham some of the more memorable radio you'll hear

all week. And recently the Slayers have joined the

stables of A League of Her Own on 2SSR 99.7FM every Thursday night. On both shows you will hear all the Slayers scores, player achievements, what's going on in the world of women's cricket, and plenty more. Tune in each week to get the latest news and results.

TRIVIA-TASTIC!

You asked for it and we delivered! The Slayers' first trivia night was held recently at Club Rivers, with a full room battling it out to prove who knew the greatest volume of useless information! It turns out that softballers may, in fact, be smarter than their cricketing counterparts with a local softball team known as "The Beavers" taking out first class honours. A big shout out to our youngsters who came along and gave it a red hot crack despite the Trivia Masters really cranking up the degree of difficulty. We are sure

they have gone away with a new appreciation of 80's music and world geography.

REMINDERS

THE POINTY END

As the tables show, all Slayers teams are in contention for a spot in the semi finals of their respective competition. It would be amazing to see every team take a place in the final four.

With this in mind, could all players ensure they make their availability for the remaining games a priority as well as make every effort to attend training.

Training continues each Wednesday at Glenn McGrath Oval from 5:30pm until sunset.

JONTY'S SURVIVAL TIPS

If you ever get a flat tyre take a photo before you fix it. Next time you are running late to meet a friend because you watched one too many episodes of Married At First Sight, attach the photo to your message before sending it to your friend and voila – a perfect excuse!

SLAYERS...

CONCEIVE
BELIEVE
ACHIEVE

The St George-Sutherland Women's Cricket Club, also known as Club Slayers, was established in 2002. It is a non-profit community service that represents the interests and aspirations of females who love cricket. This is achieved by providing our members the opportunity to participate both recreationally and competitively. We compete in the Sydney Cricket Associations Women's Competition and play on a home and away rotation on Saturday or Sunday afternoons during the summer. Although cricket is our primary operation, we also operate as a social club where non-playing members can enjoy many other social activities.. One of the Club Slayers goals is to strengthen the interests, awareness and participation in cricket within the southern districts of Sydney. If you would like to get involved with a club as a player, supporter, sponsor or volunteer contact us now for more information. We will endeavor to help you find something suitable.
